ISSUES OF COACHES

1. Play 3 cross over matches & rotate the cross overs every 2 years. Winning team gets 1 point in regular season standings.

2. Play a JV golf tournament at the end of the year. Play tournament on the Monday of OHSAA Sectionals. Golfers would play 9 holes and start at 4:00pm or 4:30pm.

-Beechwood already said they could accommodate SWBL if we wanted to play tournament at their facility.

3. Should Coach of the Year receive a plaque or some award?

-This is my issue and should be for each sport.
